

ETERNITY

Customer hamburger navigation menu toggler  
shopping cart, light and dark mode switch &  
social media icons will scroll in a fixed position  
so available on every page

Restaurant Name

Fine Dining Experience

BOOK

Minimalistic summary for first time visitors of  
website from backlinks e.g google

CTA button that opens  
reservation modal - see  
reservations modal page for  
more info

## SYNOPSIS

Website is designed to represent a high end  
fine dining restaurant with an emphasis on  
quality & fine dining while using a minimalist  
approach to convey elegance and luxury

Background will have a white linear gradient overlay to create a dreamy / Smokey effect like a kitchen - also allows the text to standout more

# ABOUT US

## Page Title - Animation Scrolling effect when loading page

Food Preparation image showing  
restaurant kitchen environment  
& service -  
animated to appear from the  
right when page loads

Food Service image showing  
restaurant environment & service  
animated to appear from the left  
when page loads

**Summary of the restaurant history**  
Animated scroll animation when switching to this page

keyword describing the business atmosphere

animation appears from the right

As this is a divider it's smaller than a standard web page

Divider to split the website but also show off the interior of the restaurant to customers

Background will have a white linear gradient overlay that allows the text to standout more

## THE MENU

(muted text) - All options available for delivery also!
